Yes _____ No _____

SLIDE TRANSFER INFORMATION **\$50 minimum order**

Two methods are available. One for TV viewing, the other is for Archival or printing

Slides (Number) _____ In trays? (Yes/No) _____

Special Instructions _____

Two styles of transfer are available (please circle your choice)

1/ TV playback method: 50 cents per slide (add \$40-per tray, if slides are not in carousel trays)

Slides must be put in exact order and direction to be shown. Slides are transferred in a single projector display showing fades between each and will be shown for 8-10 seconds. No correction for color, sharpness or sizing can be done.

2) Digital Archival method: \$2.50 per slide **transferred to a CD**

Included with every order at NO additional charge:

- Proper image rotation • Cropping • Manual basic color correction

Slides are each cleaned then transferred one by one. The process the colors are much more vibrant due to this being done in a true film scanner.

PHOTO SCANNING

\$1.00 each scanned at 300 DPI (higher resolution scans are also available at an additional cost of 20 cents each)

Special Instructions:

NOTICE: Submitting any film, prints, or slides for any purposes constitutes an AGREEMENT by you that if the same is damaged or lost only entitles you to replacement with an equivalent amount of unexposed film. Except for such replacement the acceptance of the film or slides is without warranty or other liability of any kind, and recovery for any incidental or consequential damages or claims is specifically excluded. **NOT RESPONSIBLE FOR FILM LEFT OVER 30 DAYS.**
